

MegaLife CORE vs ZEN

Find the right MegaLife device for your lifestyle

Both MegaLife devices are designed to provide a more intentional and simplified phone experience, without browsers or social media.

Choose the level of functionality that works best for you.

What both devices include

- ✓ Calls & text messaging
- ✓ Essential everyday tools
- ✓ Navigation & travel apps
- ✓ Jewish music & Judaica apps
- ✓ Parking & transport apps
- ✓ Rugged, durable design
- ✓ No browser
- ✓ No social media

MegaLife Core

Everyday focus

Simplified. Focused. Essential.

The CORE model is designed for customers who want a more restricted and distraction-free device experience.

Ideal for:

- ✓ Calls & messaging
- ✓ Navigation & travel
- ✓ Everyday essentials
- ✓ Music & Judaica apps

CORE does NOT include:

- ✗ Email
- ✗ WhatsApp
- ✗ Banking apps

MegaLife Zen

Core plus more

More flexibility. Still filtered.

The ZEN model includes everything available on CORE, with additional communication and productivity tools.

ZEN includes:

- ✓ Email
- ✓ WhatsApp
- ✓ Banking apps

Designed for customers who need a little more functionality while still maintaining a filtered and simplified device experience.

Fully Customisable Setup

Every MegaLife device is customised during purchase and activation. Your device can be configured as:

- ✓ Talk-only
- ✓ Talk & Text
- ✓ App categories added as required

Flexible After Purchase

Need to make changes later?

App access and device restrictions can be updated after purchase for a £15 change fee.

Additional restrictions can also be applied, including:

- ✓ SD card blocking
- ✓ Bluetooth file sharing restrictions
- ✓ Video capture blocking
- ✓ MMS restrictions
- ✓ Hotspot Enabling
- ✓ Google Account Sign In disable

Important Information

- CORE and ZEN models are different device types
- A CORE device cannot later become a ZEN device
- A ZEN device cannot later become a CORE device

Please choose the model that best suits your long-term requirements.
